CRITICAL ABX AIR HEALTH INSURANCE INFORMATION

Dear Fellow Crewmembers:

The 2010 health care open enrollment period is **January 26, 2010 through February 10, 2010**. This enrollment period is associated with the staged implementation of the new Collective Bargaining Agreement.

United Healthcare will continue to administer the plan. The Health, Dental and Vision Plans with the same benefits as you are currently provided, as well as a lower cost option, will be available for active employees and retirees **younger than 65**.

Open Enrollment Procedures:

You must log in and enroll for healthcare coverage, even if you are currently covered. You must have an accurate Social Security number and date of birth for all dependents. **IF YOU DO NOT PARTICPATE IN OPEN ENROLLMENT, YOUR HEALTH INSURANCE COVERAGE WILL CHANGE (DEFAULT) TO THE VALUE PLAN!**

To enroll:

- 1) **Active Employees:** Please log into the ABX Air Inc. Benefits Website and make your selection for coverage at: www.myabx.com/selfservice/index.htm. If you need assistance with the Self Service program, please call the ABX Benefits Dept. at ext. 62531 or ext. 62567.
- 2) **Retired Employees:** Enrollment for retired employees is not self-service. Paper forms will be sent to you.
- 3) **Anyone on Cobra:** Continue your health insurance through ABX Air.
- 4) **Anyone who retired early as a part of the \$50,000 bonus program:** You will pay the full premium until age 60 to the OCT. Upon reaching age 60, the company will then contribute towards your premium. Remember, you must be drawing a retirement benefit and paying the full premium in order to be eligible for the company contribution at age 60.

Changes from the Previous Plans are as follows:

- 1.) A Value Plan has been added to the plan offering. This "Value PPO Choice Plus" option is based on the current Enhanced Plan (Enhanced PPO Choice Plus") as outlined in the 2008 Flight Crew SPD and 2009 Summary of Material Modifications with higher deductibles, co-pays and out-of-pocket limits. Higher deductibles and co-pays have been summarized in the 2010 Schedule of Medical Benefits below.
- 2.) Coverage to be provided under the Ohio Conference of Teamsters beginning March 1, 2010. Your deductibles and out of pocket calculations continue to accrue from January 1, 2010. Open enrollment will resume its normal fall schedule effective January 1, 2011 and beyond.
- 3.) If you retire from ABX Air, you are eligible for retiree medical coverage. The company will share the cost of the coverage only if you retire at age 60 or older, OR you are between 55 and 60, and you retire before March 31, 2010, as part of the union sponsored retirement incentive program (\$50,000) and pay the full cost of the plan until age 60.
- 4.) The company will contribute to retiree coverage beginning at age 60.
- 5.) Company contribution to Retiree Medical benefits end when the member and his spouse are both 65 or older, and they no longer have dependents. Member and spouse over 65 with no dependents should consider enrolling in a private Medicare Supplement.
- 6.) You have the option of choosing either the Enhanced Dental Option or the Traditional Dental Option regardless of which Medical Plan you choose.
- 7.) The employee share of the premiums has increased as shown below and rate increases, beginning in 2013, shall be tied to an inflationary index (the Milliman Medical Index).

The following information is offered to provide you with a brief description of the costs and benefits associated with each health care plan provided. For more information or specific plan details please refer to the Schedule of Benefits and 2008 Summary Plan Descriptions.
